David delivering a prophetic word to a Pastor

Ministry Update

David and Pam Madison have just completed a foreign missions' trip to Guatemala in Central America. We ministered in the Northeast area of Guatemala. The Lord opened doors to minister

in the following cities; Jesus Maria, Patagalena, Llano Verde, Gualan, Zacapa, Los Posas, Santa Cruz, Sunapote and Rio Hondo. The Lord moved in the miraculous. Many lives were

saved and many were touched and changed by the miracle working power of the Lord Jesus Christ. God always confirms His Word with a demonstration of the Spirit and of power.

[1 Cor. 2:4-5](#) And my speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power, 5that your faith should not be in the wisdom of men but in the power of God.

Pastor Marco Llinella

[1 Cor. 4:18-20](#) Now some are puffed up, as though I were not coming to you. 19But I will come to you shortly, if the Lord wills, and I will know, not the word of those who are puffed up, but the power. 20For the kingdom of God is not in word but in power.

Many people saw the power of God demonstrated in their lives for the first time. The presence of the Lord was so heavy that many were not able to stand during the entire service. In some of the services it was difficult to walk because the floor was covered with bodies of people overcome by the presence of the Lord.

Pam and I met Pastor Marco Llinella in the airport in Guatemala City. Pastor Marco pastors a church in Lima Peru. Pastor Marco is gracious to serve as our coordinator, interpreter and ministry partner. We have made seven missions trips with Pastor Marco to South and Central America. Pam, Marco and I serve as a ministry team to the Latin American countries.

God performed many notable miracles during this trip.

- Three deaf people were instantly and completely healed by the power of God.
- A lady suffering from a migraine headache for nine continuous years. She came to the service with an ice pack on her head. God healed her instantly.
- Another lady suffering from a migraine headache for one year was healed instantly.
- A man suffering from a severe ear infection had been to three different doctors seeking relief. The next morning after prayer his ear opened up and the infection ran out of his ear. He later gave his testimony of how God healed him.
- A young boy about twelve years of age came up for prayer for his grandmother. His grandmother had a large hernia on her right side and could not come to church because she was bedridden. The lad was slain in the Spirit when we prayed for him. He told us he was taken to Heaven and saw and talked with the Lord Jesus Christ. He said the Lord told him things about his life and concerning people close to him. When the young boy arrived home his grandmother was completely healed. She came to church the following service

and gave us her testimony. She asked for prayer for a back problem and the Lord was gracious and healed her of this infirmity also.

- Another man was taken to Heaven and the Lord showed him things about his life.
- One lady came up for more of an anointing and God healed her back and neck.
- One lady was healed of gastritis when the demon came out.
- A lady with female problems felt her womb moving when we prayed.
- A woman came for prayer for her kidneys and while standing in line she felt the fire of God in her kidneys and began to jump up and down praising the Lord for her healing.
- A lady with a cancerous breast tumor was prayed for. She testified that the tumor was getting smaller and smaller.
- A lady had been in pain for months on the entire left side of her body; foot, leg, arm, head and chest. The Lord healed her.
- A lady came forward for prayer. As she approached the front the demon began to manifest violently. The lady was swinging her fists at those around her. She was

delivered immediately by the power of God. Later she brought her two rebellious children to the front for prayer.

- Lady with a heart condition was healed.
- A lady who could not turn her neck was healed instantly. She could turn her head freely after prayer.
- A lady with whooping cough was prayed for. The tickle left her throat but she developed severe pressure in her head. We prayed again and all pain was gone. This is a case of the spirit of infirmity manifesting in a different area of the body. If the demon is not completely cast out then the last state of the person will be worse than the first. Luke 11.
- A man could not breathe through his nose and could not lift his arm above his shoulder. God healed him completely.
- A lady had been operated on and was taking cortizone shots in her spinal column. She was stiff as she came forward for prayer. After prayer she could bend and touch her toes without any pain.
- A baby with a high fever was healed. The fever left while we were praying for him. He became cool to the touch instantly.
- Many were filled with the Holy Spirit.
- The list of what God did for His people could go on and on as God healed tooth aches, bone spurs, arthritis, skin diseases, heart problems, flu, fevers, pain in joints, asthma, headaches, throat problems, stomach infirmities, blood circulation

problems, etc. To God be the Glory.

- Many gave testimonies of being healed as they came forward for prayer. When it was time for prayer the pain was already gone.

The Lord is continuing to increase His anointing with signs and miracles and wonders following. We are excited to be serving a powerful living God of the miraculous.

God is moving mightily in our midst. The Lord is opening new doors to many nations. God has placed His seal upon this ministry. Do you believe in a God of the miraculous and in the healing and delivering power of God? Do you desire to see souls saved and set free from the power of the Devil? The people in this ministry believe the same as you. I invite you to invest some of the Lord's resources in a ministry that is bearing fruit according to the Word of God.
