Chile - Argentina Missions Trip Update February 2003

We just returned from a missions outreach to Chile and Argentina. We ministered in nine churches in eight cities. The Lord saved, healed, filled with the Holy Spirit and delivered many on this outreach. Many in the five-fold ministry received detailed prophetic direction, impartations and confirmations regarding their call. We received many testimonies that the prophetic words were very accurate and it was as if the Lord took an x-ray of their lives.

We ministered in the following cities in Chile; Puerto Montt, Puerto Varas, Loncoche, Talca, San Clemente, Melipilla, and Santiago and Bariloche in Argentina.

The summary of events is as follows.

► Pastor David and Pastor Marco Llinella in Puerto Montt, Chile. We ministered in the Church of Philadelphia. The Lord saved. All pastors received prophetic words regarding their ministries, and fresh impartations of the anointing of the Holy Spirit.

► The next day we ministered in the Assembly of God Church in Puerto Varas. All pastors received prophetic confirmations and fresh impartations of the anointing. Many were delivered by the power of God. The demons cried out as they came out of the people.

► In Bariloche, Argentina on Sunday morning we ministered at Iglesia Evangelica Bautista Melipal. The Lord healed backs and necks of many and set many free from depression.
